Round 1 Results – list of competitors who advance to Round 2 finale

Posted 6 May 2015

Cisco Networking Academy NetRiders Europe, Russian Federation and CIS 2015 CCENT Competition

Below are the Round 1 NetRiders CCENT competitors who are invited to advance to CCENT Round 2 finals on Tuesday, 12 May, 2015.

All Round 2 competitors will be sent an email with instructions about Round 2 on Monday, 11 May and it will include the Round 2 exam passwords.

According to the rules, up to five (5) top scores from each participating academy with a minimum 60% score after Round 1 are invited to advance to Round 2 on 12 May 2015.

If your academy had more than 5 students compete in Round 1 but the list below does not have 5 students listed from your academy, it is because:

- There were not 5 students from the academy who met all the eligibility requirements (see Official Rules for details but the key for CCENT was currently enrolled in or have completed in the last 10 months a level 1 or 2 CCNA course), and/or
- There were not 5 students from the academy who scored a minimum 60% score on the Round 1 exams

For more details on all the rules for this competition, as well as the frequently asked questions, please visit the Europe, Russian Federation and CIS regional page on <http://www.academynetriders.com>.

This list is alphabetical by country, then alphabetical by academy and then in 1-5 rank order within the academy. We do not provide actual scores, only rankings. **This list is only for those who are invited to advance to CCENT Round 2 on Tuesday, 12 May 2015.**
